### Product Description

Description This kit is perfect for small salons or home use. The cordless cartridge heater is ergonomically designed to fit comfortably in the palm of the hand. The cartridge holder is strong and well insulated, the wax cartridge fits into the holder and is placed on the charging base to heat up. Fits a universal 100g wax cartridge. Dispenses the perfect amount of wax at the correct temperature for a professional and smooth finish. Using a cartridge heater avoids a mess, prevents bruising and burning. **It includes:**

- 1x cordless pink & white roller heater
- 1 Xanitalia 100ml [Pink Titanium](#) Cartridge for large areas
- 1 Xanitalia 100ml Pink Titanium facial cartridge
- 100 Pre cut [wax strips](#)
