## Product Description

### **XANITALIA Paraffin wax Aloe Vera 1000ml ( 2 x 500ml blocks )**

A low Melting (at 38-40°C) Paraffin with Peach Oil has a deep moisturizing effect on hands, feet and body. Improves microcirculation, makes skin soft and supple. Great for people with joint problems.

The ideal solution for softening, healing, and invigorating the skin on the most used extremities, plus it is also great for soothing stiff joints and muscles. Specifically designed to soften and aid even the most worn, callused, and cracked extremities. Gently peels away problematic layers of the skin on any body part while preventing future dry skin and joint pain
